AMENDMENT UNDER 37 C.F.R. §1.116

Please amend the above-identified application as follows:

IN THE CLAIMS

1) Please amend Claims 1-4, 6-12 and 14-15 as follows:

1. (Twice Amended) For use in a CDMA wireless network comprising a plurality of base stations capable of communicating with a plurality of mobile stations located in a coverage area of said CDMA wireless network, a partitioned selection and distribution unit (SDU) comprising:

a first controller associated with a first one of said plurality of base stations capable of performing radio link protocol functions related to wireless communication links between said first base station and at least one of said plurality of mobile stations; and

a second controller associated with a mobile switching center (MSC) of said CDMA wireless network capable of performing physical layer protocol functions related to transmission of
